

UNITED NATIONS DAY CONCERT: *A Tribute to Peacekeeping*

The anniversary of the establishment of the United Nations Charter on 24 October 1945 has been celebrated as United Nations Day since 1948. It has traditionally been marked throughout the world by meetings, discussions and exhibits on the achievements and goals of the Organization. In 1971, the General Assembly recommended that Member States observe it as a public holiday. Traditionally, UN Day is marked by an international concert in the General Assembly Hall.

UN Day Concert 2009 will take place on Friday 23 October, 2009, in the General Assembly Hall at United Nations Headquarters, from 7:30 p.m. to 10:00 p.m.

UNITED NATIONS DAY CONCERT: *A Tribute to Peacekeeping*

PRODUCING PARTNER – CULTURE PROJECT

Mr. Allan Buchman is the Founder and Artistic Director of Culture Project. Heralded as a champion of political stagecraft by the New York Times, Mr. Buchman has received awards from major theater, human rights and legal organizations, including the Drama Desk, Lucille Lortel and the Champion of Justice Award from the National Association of Criminal Defense Lawyers. Buchman found his true calling in 2002 with the production of *The Exonerated*, a critically acclaimed play that told the eye-opening and ultimately life-enforcing stories of wrongly convicted people on death row. He has consistently supported work that addresses humanitarian and political concerns - whether they originate from inside the domestic prison system, the oil fields of Nigeria or the battlegrounds of war in the Middle East - to illuminate injustice, and inspire public dialogue and policy.

MUSICAL DIRECTORS - NILE RODGERS (USA) & JOHN MCLAUGHLIN (UK)

Mr. Nile Rodgers' signature is scrawled across an amazing array of music-from Madonna to Diana Ross, from David Bowie to Eric Clapton. In 1996, he was selected as Billboard magazine's Top Producer in the World. He has been awarded numerous Grammys and The National Association of Recording Arts and Sciences gave him both a Lifetime Achievement Award and the New York Chapter's Heroes Award. Rodgers created the "We Are Family Foundation" in 2002 to promote tolerance and multiculturalism education.

Mr. John McLaughlin started his career in the early 1960s as the electric guitarist for Georgie Fame's rocking Blue Flames. In the late '60s and early '70s, he explored electric guitar jazz-rock fusion with Tony Williams's Lifetime and Miles Davis' Bitches Brew, On the Corner and Live at the Cellar Door bands. McLaughlin also formed his own seminal fusion group, Mahavishnu Orchestra. He played jazz-infused Indian classical music with his band Shakti. In subsequent years he has revisited that group with the Remember Shakti tour.

DOCUMENTARY FILM DIRECTOR - FISHER STEVENS (USA)

Mr. Fisher Stevens is an actor, director and a producer. He has appeared in over 40 stage productions including the Tony Award-winning *Torch Song Trilogy*, *Brighton Beach Memoirs* and *Carousel*. He has appeared in over 50 Motion Picture and Television programs, including "The Flamingo Kid", "Reversal of Fortune", "Awake" and "Gringos in Rio". He co-founded GreeneStreet Films in 1996, where he directed "Just a Kiss" and produced/executive-produced over 15 films including 5-time Academy Award nominated "In the Bedroom", "A Prairie Home Companion", "Tenderness with Russell" Crowe and the acclaimed documentary "Once in a Lifetime".
